Resolution 2020-10

American Wind Week Proclamation

Whereas: wind energy is the largest provider of renewable energy in the country; and

Whereas: our state is home to 20 wind projects and 5 wind related manufacturing facilities, providing more than 2,000 jobs for South Dakotans, and

Whereas: the wind industry is a major economic driver in towns and counties all across South Dakota, driving \$3 billion in total capital investments to date and providing \$9.8 million in annual lease payments to rural landowners in 2019 alone,

Therefore, the City of Piedmont, South Dakota
does hereby proclaim

We recognize August 9th – 15th as

American Wind Week

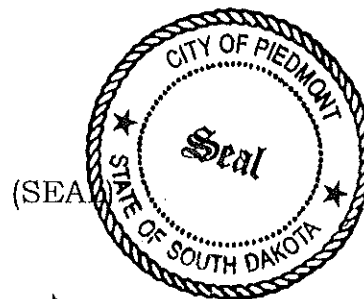

and encourages its citizens to learn more about the benefits of wind energy in our community and celebrates South Dakota's leadership in renewable energy production.
