

CITY OF PIEDMONT, SOUTH DAKOTA

Communication with Those
Charged with Governance

December 31, 2022

June 27, 2023

Board of Trustees
City of Piedmont, South Dakota

We have audited the financial statements of the governmental activities, business-type activities, and each major fund of the City of Piedmont, South Dakota (the City) as of and for the year ended December 31, 2022, and have issued our report thereon dated June 27, 2023. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated March 13, 2023, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the City solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our findings regarding material weaknesses in internal control over financial reporting and material noncompliance noted during our audit in the Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards* dated June 27, 2023.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, our firm, and our network firms have complied with all relevant ethical requirements regarding independence.

As requested, we prepared the financial statements for the City. These statements have been reviewed in detail by management. An additional review was performed by a member of our team that was not involved in the audit.

Significant Risks Identified

We are responsible for communicating the significant risks identified in our audit of the financial statements of the City. This communication is intended to inform you of such matters and to assist you in fulfilling your responsibility to oversee the financial reporting process. Significant risks are identified in the regular course of an audit engagement and align with the audit areas that deserve special audit consideration. We devote specific and additional attention to those areas to determine whether they are free from material misstatement. We did not identify any additional issues to report to the Board.

We have identified the following significant risks:

- The lack of segregation of duties over cash receipts
- The recording of receipts due to the risk of improper revenue recognition of funds
- The City's compliance with debt covenant requirements and maintaining a minimum reserve balance in an interest-bearing account
- The recording of disbursements due to the risk associated with budgetary compliance

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the City is included in Note 1 to the financial statements. There have been no new accounting policies adopted and no changes in significant accounting policies or their application during 2022. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. The City has no significant estimates.

Financial Statement Disclosures

The financial statement disclosures are neutral, consistent, and clear.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards also require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole. No uncorrected misstatements were noted.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. No misstatements were identified as a result of our audit procedures requiring correction by management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the City's financial statements or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated June 27, 2023.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the City, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, significant events or transactions that occurred during the year, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the City's auditors.

This report is intended solely for the information and use of the Board of Trustees and management of the City and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Casey Peterson, LTD

Casey Peterson, LTD

Casey Peterson, LTD
909 Saint Joseph Street, Ste 101
Rapid City, South Dakota 57701

This representation letter is provided in connection with your audit of the financial statements of the City of Piedmont, South Dakota (the City), which comprise the respective modified cash basis financial position of the governmental activities, the business-type activities, and each major fund as of December 31, 2022, and the respective changes in modified cash basis financial position and the disclosures for the year then ended, for the purpose of expressing opinions on whether the basic financial statements present fairly, in all material respects, in accordance with the modified cash basis of accounting, an other comprehensive basis of accounting.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information such that, in the light of surrounding circumstances, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Except where otherwise stated below, immaterial matters less than \$1,000 collectively are not considered to be exceptions that require disclosure for the purpose of the following representations. This amount is not necessarily indicative of amounts that would require adjustment to or disclosure in the financial statements.

We confirm that, to the best of our knowledge and belief, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of June 27, 2023:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated March 13, 2023 for the preparation and fair presentation of the financial statements of the various opinion units referred to above in accordance with the modified cash basis of accounting.
2. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
4. We acknowledge our responsibility for compliance with the laws, regulations, and provisions of contracts and grant agreements.
5. We have reviewed, approved, and taken responsibility for the financial statements and related notes.
6. We have a process to track the status of audit findings and recommendations.
7. We have identified and communicated to you all previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
8. All related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the modified cash basis of accounting.
9. All events subsequent to the date of the financial statements and for which the modified cash basis of accounting requires adjustment or disclosure have been adjusted or disclosed.

10. There are no uncorrected misstatements.
11. We are not aware of any pending or threatened litigation, claims, or assessments, or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with GASB Statement No. 62 (GASB-62), *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements* (FASB Accounting Standards Codification™ (ASC) 450, *Contingencies*), and we have not consulted a lawyer concerning litigation, claims, or assessments.
12. All funds and activities are properly classified.
13. All funds that meet the quantitative criteria in GASB Statement No. 34, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments*, GASB Statement No. 37, *Basic Financial Statements—and Management's Discussion and Analysis—for State and Local Governments: Omnibus* as amended, and GASB Statement No. 65, *Items Previously Reported as Assets and Liabilities*, for presentation as major are identified and presented as such and all other funds that are presented as major are considered important to financial statement users.
14. All components of net position, nonspendable fund balance, and restricted, committed, assigned, and unassigned fund balance are properly classified and, if applicable, approved.
15. Our policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position/fund balance are available is appropriately disclosed and net position/fund balance is properly recognized under the policy.
16. All revenues within the statement of activities have been properly classified as program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.
17. All expenses have been properly classified in or allocated to functions and programs in the statement of activities, and allocations, if any, have been made on a reasonable basis.
18. Deposit and investment risks have been properly and fully disclosed.
19. All supplementary information is measured and presented within the prescribed guidelines.
20. With respect to preparation of the financial statements and consultation on the implementation of new accounting standards, we have performed the following:
 - a. Made all management decisions and performed all management functions;
 - b. Assigned a competent individual to oversee the services;
 - c. Evaluated the adequacy of the services performed;
 - d. Evaluated and accepted responsibility for the result of the service performed; and
 - e. Established and maintained internal controls, including monitoring ongoing activities.

Information Provided

21. We have provided you with:
 - a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements of the various opinion units referred to above, such as records, documentation, meeting minutes, and other matters;
 - b. Additional information that you have requested from us for the purpose of the audit;
 - c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

22. All transactions have been recorded in the accounting records and are reflected in the financial statements.
23. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
24. We have provided to you our analysis of the entity's ability to continue as a going concern, including significant conditions and events present, and if necessary, our analysis of management's plans, and our ability to achieve those plans.
25. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
 - a. Management;
 - b. Employees who have significant roles in internal control; or
 - c. Others where the fraud could have a material effect on the financial statements.
26. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, vendors, regulators, or others.
27. We are not aware of any pending or threatened litigation, claims, and assessments whose effects should be considered when preparing the financial statements and we have not consulted legal counsel concerning litigation, claims, or assessments.
28. We have disclosed to you the identity of all the entity's related parties and the nature of all the related party relationships and transactions of which we are aware.
29. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in accounting, internal control, or financial reporting practices.
30. The City has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
31. We have disclosed to you all guarantees, whether written or oral, under which the City is contingently liable.
32. We have disclosed to you all nonexchange financial guarantees, under which we are obligated and have declared liabilities and disclosed properly in accordance with GASB Statement No. 70, *Accounting and Financial Reporting for Nonexchange Financial Guarantees*, for those guarantees where it is more likely than not that the entity will make a payment on any guarantee.
33. We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed in accordance with GASB Statement No. 62 (GASB-62), *Codification of Accounting and Financial Reporting Guidance Contained in Pre-November 30, 1989 FASB and AICPA Pronouncements*. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.
34. We have identified and disclosed to you the laws, regulations, and provisions of contracts and grant agreements that could have a direct and material effect on financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.

35. There are no:

- a. Violations or possible violations of laws or regulations, or provisions of contracts or grant agreements whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, including applicable budget laws and regulations.
- b. Unasserted claims or assessments that our lawyer has advised are probable of assertion and must be disclosed in accordance with GASB-62.
- c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB-62.
- d. Continuing disclosure consent decree agreements or filings with the Securities and Exchange Commission and we have filed updates on a timely basis in accordance with the agreements (Rule 240, 15c2-12).

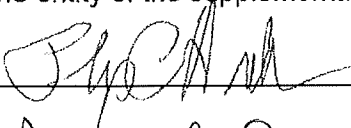

36. The City has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset or future revenue been pledged as collateral, except as disclosed to you.

37. We have complied with all aspects of grant agreements and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

38. With respect to the Budgetary Comparison Schedule accompanying the financial statements:

- a. We acknowledge our responsibility for the presentation of the supplementary information in accordance with the modified cash basis of accounting.
- b. We believe the supplementary information, including its form and content, is fairly presented in accordance with the modified cash basis of accounting.
- c. The methods of measurement or presentation have not changed from those used in the prior period.
- d. When the supplementary information is not presented with the audited financial statements, management will make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon.
- e. We acknowledge our responsibility to present the supplementary information with the audited financial statements or, if the supplementary information will not be presented with the audited financial statements, to make the audited financial statements readily available to the intended users of the supplementary information no later than the date of issuance by the entity of the supplementary information and the auditor's report thereon.

Independent Auditor's Report on Internal Control over
Financial Reporting and on Compliance and Other Matters
Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Board of Trustees
City of Piedmont, South Dakota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities, the business-type activities, and each major fund of the City of Piedmont, South Dakota (the City), as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated June 27, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control, described in the accompanying Schedule of Findings and Management's Response as items 2022-001, 2022-002, and 2022-003 that we consider to be material weaknesses.

City of Piedmont, South Dakota
Schedule of Findings and Management's Response
December 31, 2022

Material Weakness

Lack of Segregation of Duties

2022-001 *Condition:* Internal controls are designed to safeguard assets and help prevent or detect losses from employee dishonesty or error. The City of Piedmont, South Dakota has a concentration of incompatible duties related to the cash receipt process. This finding was reported in the prior year as 2021-001 and has been reported since 2013.

Criteria: Internal controls are designed to safeguard assets and prevent or detect losses from employee dishonesty or error. The City has a general lack of segregation of duties, which is a fundamental concept in a good system of internal control.

Cause: The City has a limited number of office personnel. There is often only one employee in the office receiving payments from customers which prevents proper segregation of duties related to the cash receipt cycles.

Effect: There is the potential that intentional or unintentional errors could be made and not be detected.

Auditor's Recommendation: The Board of Trustees should be aware of this condition and realize that the concentration of duties among a limited number of individuals is not desirable from a control perspective. Although proper segregation may not be possible due to the limited number of office personnel, the City can implement improvements to reduce the risk of errors or fraud. As the City accepts cash payments, there should always be more than one individual in the office.

Management's Response: The City of Piedmont is a fairly small city with two part-time employees who handle the accounting, reporting, billing, and all other administrative functions needed by the City. The two employees have implemented the procedure of having customers sign a receipt when cash is provided. The City believes the process of handling cash from customers is self-regulating since bills are issued monthly. The City does not have petty cash available, which eliminates cash exchange errors.

Responsible Parties: Finance Officer and Deputy Finance Officer

Time Frame: Ongoing

Material Weakness

Noncompliance

Budgetary Over-expenditure

2022-002 *Condition:* The City overspent budgeted appropriations in the other general government and economic development and assistance departments.

Criteria: SDCL 9-21-9 states that the City shall not spend, for any purpose or department, in excess of the total amount appropriated for such purpose or department.

Cause: The City overlooked budgetary shortfall in its comparison of budgeted to actual expenses. The governing body did not adopt a supplemental appropriation ordinance.

Effect: The City did not comply with South Dakota state statutes.

Auditor's Recommendation: We recommend the City review state statutes regarding budgeting and budget amendments. The budget should be monitored monthly and amended as necessary. Budget to actual reports reviewed should contain all expenditures by department, to ensure departments are within budget requirements.

Independent Auditor's Report

Board of Trustees
City of Piedmont, South Dakota

Report on the Audit of the Financial Statements

Opinions

We have audited the modified cash basis financial statements of the governmental activities, business-type activities, and each major fund of the City of Piedmont, South Dakota (the City), as of and for the year ended December 31, 2022, and the related notes to the financial statements, which collectively comprise the basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, and each major fund of the City as of December 31, 2022, and the respective changes in modified cash basis financial position thereof for the year then ended in accordance with the modified cash basis of accounting described in Note 1.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

The City's management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about City's ability to continue as a going concern for one year after the date that the financial statements are issued.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 27, 2023 on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

City of Piedmont, South Dakota
Notes to the Financial Statements
December 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The funds of the City are described below:

Governmental Funds:

General Fund - The General Fund is the general operating fund of the City. It is used to account for all financial resources except those required to be accounted for in another fund. The General Fund is always considered to be a major fund.

Proprietary Funds:

Enterprise Funds - Enterprise funds are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, disbursements paid, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

- a. The activity is financed with debt that is secured solely by a pledge of the net revenues from fees and charges of the activity. Debt that is secured by a pledge of net revenues from fees and charges and the full faith and credit of a related primary government or component unit, even if that government is not expected to make any payments, is not payable solely from fees and charges of the activity. (Some debt may be secured, in part, by a portion of its own proceeds but should be considered as payable "solely" from the revenues of the activity.)
- b. Laws or regulations require that the activity's costs of providing services, including capital costs (such as depreciation or debt service), be recovered with fees and charges, rather than with taxes or similar revenues.
- c. The pricing policies of the activity establish fees and charges designed to recover its costs, including capital costs (such as depreciation or debt service).

Water Fund - Financed primarily by user charges this fund accounts for the operation of the municipal waterworks system and related facilities (SDCL 9-47-1). This fund is a major fund.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

Measurement focus is a term used to describe "how" transactions are recorded within the various financial statements. Basis of accounting refers to "when" receipts and expenditures are recognized in the accounts and reported in the financial statements, regardless of the measurement focus.

The City's basis of accounting is the modified cash basis, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Under accounting principles generally accepted in the United States of America, transactions are recorded when cash is received or disbursed.

Measurement Focus

Government-wide Financial Statements:

In the Statement of Net Position - Modified Cash Basis and the Statement of Activities - Modified Cash Basis, both governmental and business-type activities are presented using the economic resources measurement focus, applied within the limitations of the modified cash basis of accounting as defined in the Basis of Accounting section.

City of Piedmont, South Dakota
Notes to the Financial Statements
December 31, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. CAPITAL ASSETS

The City has not elected to modify its cash basis presentation by recording capital assets arising from cash transactions and depreciating/amortizing those assets where appropriate. Under the modified cash basis of accounting, the City's capital assets are considered a cost of the program for which they were acquired, for the amount paid in cash, in the government-wide financial statements and the fund financial statements.

The City has not elected to modify its cash basis presentation by right of use asset and related lease liability arising from cash transactions. Under the modified cash basis of accounting, cash payments for lease activities are a cost of the program for which they were acquired for the amount paid in cash in both the government-wide and fund financial statements.

F. LONG-TERM LIABILITIES

Under the modified cash basis of accounting, cash proceeds from long-term debt issuances are recorded as a receipt, while payments to creditors to reduce long-term debts are recorded as a cost of the program which benefits from the financing. Allocations are made where appropriate. Interest costs are not allocated but are reported as a separate program cost category.

Long-term debt arising from cash transactions of all funds is not reported as liabilities in the modified cash basis financial statements.

Under the modified cash basis of accounting, cash payments for lease activities are recorded as expenditures in the function benefitting from the use of the leased asset. Allocations are made where appropriate. Lease liabilities arising from leasing activities are not reported as liabilities in the modified cash basis financial statements.

G. PROGRAM RECEIPTS

Program receipts derive directly from the program itself or from parties other than the City's taxpayers or citizenry as a whole. Program receipts are classified into three categories as follows:

Charges for Services - These arise from charges to customers, applicants or others who purchase, use or directly benefit from the goods, services or privileges provided or are otherwise directly affected by the services.

Program-specific Operating Grants and Contributions - These arise from mandatory and voluntary non-exchange transactions with other governments, organizations, or individuals that are restricted for use in a particular program.

Program-specific Capital Grants and Contributions - These arise from mandatory and voluntary non-exchange transactions with other governments, organizations, or individuals that are restricted for the acquisition of capital assets for use in a particular program. The City had no program-specific capital grants and contributions in the current year.

H. PROPRIETARY FUNDS RECEIPTS AND DISBURSEMENTS CLASSIFICATION

Operating receipts and disbursements for proprietary funds result from providing services and producing and delivering goods and services. They also include all receipts and disbursements not related to capital and related financing, noncapital financing, or investing activities.

NOTE 2 - DEPOSITS AND INVESTMENTS

The City follows the practice of aggregating the cash assets of various funds to maximize cash management efficiency and returns. Various restrictions on deposits and investments are imposed by statutes. These restrictions are as follows:

Deposits

The City's cash deposits are made in qualified public depositories as defined by SDCL 4-6A-1, 9-22-6, 9-22-6.1, and 9-22-6.2 and may be in the form of demand or time deposits. Qualified depositories are required by SDCL 4-6A-3 to maintain at all times, segregated from their other assets, eligible collateral having a value equal to at least 100 percent of the public deposit accounts which exceed deposit insurance such as the FDIC and NCUA. In lieu of pledging eligible securities, a qualified public depository may furnish irrevocable standby letters of credit issued by federal home loan banks accompanied by written evidence of that bank's public debt rating which may not be less than "AA" or a qualified public depository may furnish a corporate surety bond of a corporation authorized to do business in South Dakota.

Investments

In general, SDCL 4-5-6 permits City funds to be invested only in (a) securities of the United States and securities guaranteed by the United States Government either directly or indirectly; or (b) repurchase agreements fully collateralized by securities described in (a) above; or in shares of an open-end, no-load fund administered by an investment company whose investments are in securities described in (a) above and repurchase agreements described in (b) above. Also, SDCL 4-5-9 requires investments to be in the physical custody of the political subdivision or may be deposited in a safekeeping account with any bank or trust company designated by the political subdivision as its fiscal agent. Investments classified in the financial statements consist entirely of certificates of deposit whose term to maturity at the date of acquisition exceeds three months, and/or those types of investments authorized by South Dakota Codified Law (SDCL) 4-5-6.

Custodial Credit Risk - Deposits - Custodial credit risk is the risk that in the event of a bank failure, the City's deposits may not be returned to it. The City does not have a deposit policy for custodial credit risk. As of December 31, 2022, the City's bank balances above FDIC limits are insured and collateralized in compliance with the South Dakota Public Deposit Protection Collateral Program.

Interest Rate Risk - The City does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk - State law limits eligible investments for the City, as discussed above. The City has no investment policy that would further limit its investment choices. The City has all of its deposits in demand deposits and certificates of deposits.

NOTE 3 - RESTRICTED CASH AND INVESTMENTS

Assets restricted to use for a specific purpose through segregation of balances in separate accounts are for bond redemption and asset management reserves required by the USDA debt agreement. The debt agreement calls for bond redemption reserve deposits of \$2,888.40 per year, until the reserve reaches \$28,884, and asset management reserve deposits of \$226 per month for the life of the loan.

NOTE 5 – COMMITMENTS (CONTINUED)

The annual requirements to amortize the long-term liability outstanding as of December 31, 2022, (using the revised repayment schedule for the General Obligation Bond), including interest are as follows:

	Principal	Interest	Total
2023	\$ 49,390	\$ 19,498	\$ 68,888
2024	50,968	17,920	68,888
2025	52,597	16,291	68,888
2026	54,278	14,610	68,888
2027	56,013	12,875	68,888
2028-2032	308,103	36,336	344,439
2033	66,762	1,226	67,988
	\$ 638,111	\$ 118,756	\$ 756,867

NOTE 6 - LEASES

The City is involved in one lease agreement for a copier through A&B Solutions. The term of the lease is three years, with monthly payments of \$189, expiring in February 2023. Future lease payments owed by the City are in the amount of \$378 as of December 31, 2022.

NOTE 7 - RISK MANAGEMENT

The City joined the South Dakota Public Assurance Alliance (SDPAA), a public entity risk pool currently operating as a common risk management and insurance program for South Dakota local government entities. The objective of the SDPAA is to administer and provide risk management services and risk sharing facilities to the members and to defend and protect the members against liability, to advise members on loss control guidelines and procedures, and to provide them with risk management services, loss control, and risk reduction information and to obtain lower costs for that coverage. The County's responsibility is to promptly report to and cooperate with the SDPAA to resolve any incident which could result in a claim being made by or against the County. The County pays a Members' Annual Operating Contribution to provide liability coverage detailed below under an occurrence-based policy. The premiums are accrued based on the ultimate cost of the experience to date of the SDPAA member based on their exposure or type of coverage. The County pays an annual premium to the pool to provide coverage for torts, theft or damage to property, and errors and omissions of public officials.

Effective October 5, 2021, the SDPAA adopted a new policy on member departures. Departing Members will no longer be eligible for any partial refund of the calculated portion of their contributions that was previously allowed. The prior policy provided the departing Member with such a partial refund because the departing Member took sole responsibility for all claims and claims expenses whether reported or unreported at the time of their departure from the SDPAA. With such partial refund being no longer available, the SDPAA will now assume responsibility for all reported claims of a departing Member pursuant to the revised IGC.

The City has no deductible for general liability coverage, a \$5,000 deductible for errors and omissions of public officials, and a \$500 deductible for all other claims.

The City does not carry additional insurance to cover claims in excess of the upper limit. Settled claims resulting from these risks have not exceeded the liability coverage during the past three years.

SUPPLEMENTARY INFORMATION

	Budgeted Amounts		Actual (Budgetary Basis)	Variance Positive (Negative)
	Original	Final		
OTHER FINANCING SOURCES (USES)				
Transfers In (Out)	-	(210,000)	-	210,000
NET CHANGE IN FUND BALANCE	(525,085)	(735,085)	315,563	1,050,648
FUND BALANCE, BEGINNING OF YEAR	1,022,723	1,022,723	1,022,723	-
FUND BALANCE, END OF YEAR	<u>\$ 497,638</u>	<u>\$ 287,638</u>	<u>\$ 1,338,286</u>	<u>\$ 1,050,648</u>
